

Worcester and Malvern section CUK annual report 2025/2026

Last year has seen an increase in activity with regular Wednesday evening pub rides, 18 Saturday rides, one long 200km summer ride, and regular Wednesday day rides which have taken the place of the previous year's Tuesday rides. This has made over 100 rides throughout the year.

As usual, our calendar includes the Kidderminster section Sunday rides, for those who wish to join in.

Thanks are due to all the members who have led these various rides.

Thanks also to Martin Staines, supported by Phil James for doing the new Wednesday day rides which have been well attended usually with a turnout of over 6 riders.

New member Zonc has introduced us the new 'Drum-up' ride, which I believe is a Scottish import.

Congratulations to Leigh Robinson who has been officially recognized by CUK for the 'going the extra mile award' by saving a fellow members life with chest resuscitation. (See certificate posted on Facebook).

The website has been maintained by Cyril Pulleng helped by Neil Poulter.

Our social calendar this year has included a bar-b-q in June, a 25th anniversary celebration for Dave and Eileen also in June, 3 pubs and a curry ride in November, Christmas party at the Fox in December, and a faggots and peas evening at the Fox in April. My thanks to Steve Gardner for organizing all this.

We have also had 8 slide shows here at the Fox from travels in various parts of the world in order to keep peoples interest alive during the winter months.

My thanks go to all the committee members for their work and support during the year.

Richard Klemperer
